Learning together, having fun!

Dear Parents and Carers,

It has been a lovely half term here at Greenhall! We have been pleased to welcome the children back who had been learning remotely at home and also to welcome some new friends to join us.

After Easter our team is growing here at Greenhall, Mary and Lucy will join the Foxes staff team and Steph will move her role to support in Hedgehogs.

In Foxes class this term the children have explored the mathematical concepts of big and small and full and empty. They loved sharing the story 'We are going on an Easter Egg Hunt', and have completed lots of Spring themed craft and sensory activities together.

In Hedgehogs class the children have enjoyed having a farm shop role play, they have based their learning around the story 'Spring is Here', and have had Spring based tac pac and resonance.

Both classes finished the term by making delicious Easter nest cakes, yummy!

Greenhall is closed for the Easter Break until Monday 19th April, we hope that you are able to enjoy some family time as restrictions begin to ease.

Forest School

This term the children have enjoyed a variety of Forest School activities, thoughtfully planned by our Forest School Leader, Petra.

The children have made flower wands, apple bird feeders, potpourri and seed art pictures. They rounded the term off with a camp fire and toasted marshmallows and great fun was had by all.

Coronavirus Update

Thank you for your continued support as we as a school navigate through these unprecedented times.

Please ensure that should your child show any symptoms that require a test, that you inform us of the outcome of this as soon as possible in order for us to put in place the track and trace procedure.

Greenhall is closed during the Easter break please continue to contact **headteacher@greenhall.staffs.sch.uk** with any confirmations of positive cases.

May I remind you also that children must isolate if a member of the household has symptoms until a negative test result is received.
